Economy Grade

ORALITE® 5200

Glass bead reflective film with excellent printing properties, designed for advertising sign boards, lettering, markings and graphic applications. The ideal film where only the very minimum of reflectivity is needed.

Product benefits include:

- Short term outdoor use
- 3 years outdoor durability
- Cast PVC polymer blend surface
- Excellent printability
- Inkjet printing with solvent based inks, UV- or latex inks
- ORALITE® 5018 screen printing ink is recommended

The material is strictly intended for adhesion onto even metallic surfaces, such as aluminum and galvanized steel.

ORALITE®

Engineered to Save Lives™
